

Westerly Man Temporary Receiver

Justice Tanner Appoints Henry R. Segar to Take Charge of Nichols & Langworthy Machine Co's. Affairs—Meeting of D. A. R. Chapter—Auto Accident—Assault Results from Borrowing Money.

Ex-Gov. George H. Utter of Westerly will read the Declaration of Independence and Prof. George P. Baker of Harvard will deliver the annual address next Monday, the Independence day celebration of the Rhode Island society of the Cincinnati, which is to hold a three days' session in Newport.

Three years ago Angelo Cappacchio loaned Joseph Gardino \$300 and as an outcome was assaulted by the man he befriended. The sum was to be paid back within three years, but the limit was overreached and additional interest of \$3.50 was collected in consequence when the note was taken up. In the first transaction Cappacchio was represented by an agent.

Early Friday morning Gardino and Cappacchio met, and immediately there was a wordy war over what was termed an excess of interest, and resulted in Gardino assaulting Cappacchio. Gardino was arrested Friday night by Chief Bransfield and he will be arraigned in the Third district court today (Saturday).

Judge Oliver H. Williams of the Third district court in state district Deputy of the Benevolent and Protective Order of Elks for Rhode Island. He will start Monday for Seattle to attend the annual convention of the Elks of the United States. He will go from Boston with the New England delegation to the convention, which will make a special tour en route to Seattle.

Before Chief Justice Tanner, Friday morning, the Washington Trust company of Westerly filed petition asking for appointment of a receiver for the Nichols & Langworthy Machine Co. of Hops Valley, whose manufacturing plant was recently destroyed by fire. In the petition it was stated that the Washington Trust company was a creditor, and that it is believed the machine company to be insolvent, and therefore, in behalf of the creditors, asked that a receiver be appointed. Justice Tanner granted the petition and appointed Henry R. Segar of Westerly, receiver, and issued orders

The regular meeting of Phoebe Greene Ward chapter, D. A. R., was held at the residence of Mrs. George Macbook at Watch Hill. Miss Amelia Potter read an interesting paper, The Restoration of Mount Vernon. Resolutions were adopted upon the death of Mrs. Edward M. Dunn, who was one of the oldest members of the chapter.

Mr. and Mrs. Robert Varnum of New York, riding in their runabout, registered 5563, N. Y., were on their way to Newport Friday, Mrs. Varnum guiding the automobile. They were going up Elm street at average speed and were about to turn into Granite street when a horse and wagon were coming down the hill.

In order to clear the horse, the auto was veered to the left, and Mr. Varnum then saw George W. West directly in front of the auto on the crosswalk at the foot of Granite street, and between the wagon and the sidewalk. Mrs. Varnum sounded the horn and Mr. West hurried out of the way as fast as he could.

Fearing that the machine would strike the man, Mrs. Varnum turned the auto abruptly into Grove avenue, and in so doing the auto skidded and dashed into the hydrant near the corner.

Mrs. Varnum was thrown out, struck in the gutter and sustained a cut in the back of her head and some minor bruises. She got up unassisted, and was directed to the residence of Dr. Pagan, where the wound was dressed. Her injuries are not serious. Mr. Varnum was not hurt.

The forward part of the machine was wrecked and the engine broken. Machinists from a local garage were summoned and with considerable difficulty towed the disabled auto to the garage, where repairs will be made. Mr. and Mrs. Varnum took an evening train for Newport.

FOR SALE!

The Buckingham Mansion

IN NORWICH, CONN.,
100 Washington Street,
TO BE SOLD AT

AUCTION

On Tuesday, July 6th, 1909, at 10.30 a. m.

THERE WILL BE SOLD ON THE PREMISES ON WASHINGTON STREET IN NORWICH, CONN., THE WELL KNOWN BUCKINGHAM MANSION WITH THE LARGE TRACT OF LAND SURROUNDING THE RESIDENCE (WHICH HAS BEEN PLATTED INTO 26 BUILDING LOTS).

This property cost the original owner over \$100,000. The mansion which contains 18 rooms, is in a good state of repair. The house is constructed of brick with brown stone trim, heavy walls, windows tightly fitted, is easily warmed, and the person who purchases this property as a residence will have one of the finest places in Norwich, and can live in the house at an annual expense very little greater than if living in an ordinary wooden house which would cost twice as much to heat and maintain.

This building will not require painting once, where the ordinary house would have to be painted two or three times.

The property will be sold in seven parcels as follows:
No. 1. The residence with lot 104 feet front by 251 feet deep. This lot contains, beside the residence, the large green houses in a fair state of repair and ample land for garden, fruit trees, etc.
Lots on map numbered 2, 3 and 4.
No. 2. Lot number 1 on map, 55 feet front on Washington street by 153 feet deep.
No. 3. Lot number 31 on map, 55 feet front on Washington street, 150 feet deep.
No. 4. Lot number 32 on map, 55 feet front on Washington street by 148 feet deep.
No. 5 will comprise the land lying in the rear of the plat sold with the mansion, and south of the new street. This consists of 15 building lots, numbered 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 and 19.
No. 6 will be the section on the opposite side of the new proposed street as indicated on the map. Lots numbered 20, 21, 22, 23, 24, 25, 26, 27 and 28.
No. 7. Stable buildings, lots numbered 29 and 30.

If the same purchaser buys all these properties, it ought to be possible to sell building lots and then have the mansion with stable and green houses left as a residence property at a very small cost.

The entire property will be sold without reserve to the highest bidder, and may go for less than one-quarter the price it would cost to replace it today.

TERMS: Ten per cent. of purchase price to be paid by certified check or cash at the time of sale. One-half the price may remain on mortgage at 4 1/2 per cent. The remaining 40 per cent. to be paid on delivery of Warranty Deed.

Sale positive, rain or shine.
N. TARRANT, 117 Main Street, Norwich, Auctioneer.

For maps or further information address the Auctioneer.

Persons interested to inspect the property will find a caretaker on the premises at all times, and the house will be open for inspection on Sunday, July 4th, all day, also from 7 a. m. on Monday, July 5th, until the hour of sale on Tuesday.
